

GOVERNMENT OF SAINT LUCIA  
DEPARTMENT OF FINANCE  
CUSTOMS & EXCISE DEPARTMENT

**NOTICE**  
**NO. 19 of 2014**

**TO: ALL DECLARANTS**

**Completion of Customs Declarations**

It has been observed that some Brokers do not complete box 35, 38, and 41 accurately on their Customs declarations registered on ASYCUDA World.

This situation poses great difficulty when statistics on quantity and volume is required for trade purposes. Inaccurate information gives rise to poor decision making and puts all agencies at a disadvantage when reporting on matters related to trade.

I am therefore appealing to Brokers to ensure that all fields on their Customs declarations are accurately completed as failing to do so is a violation of the Customs laws and may result in sanctions.

Please be informed accordingly.
