

GOVERNMENT OF SAINT LUCIA
MINISTRY OF FINANCE
CUSTOMS & EXCISE DEPARTMENT

NOTICE
NO. 9 OF 2014

To Importers of Containerised Cargo

In an effort at trade facilitation, the Customs Department is once again extending the service of Container examination during normal working hours to the importing public.

In that regard importers seeking this service are asked to complete the form **'Request for Container Examination at Private Premises during Normal Working Hours'** and submit the same to the supervisor of the External Examination unit in Castries or the Supervisor Trade Services in Vieux Fort, one working day prior to the examination.

This service comes with the understanding that importers will make efficient use of the time in the examination process.

The request form is available in the Forms field on the Customs website, customs.gov.lc

We trust that you will make full use of this service.

C. Andy Fernelon
Comptroller of Customs
